Ventura County Authorization Requirements Continuing Education Log

This form should be used to track your continuing education requirements. This form must be turned in when it is time for your reauthorization. When attending a continuing education course, remember to get a course completion, as EMS will audit 10% of all MICN's reauthorizing and if you are randomly selected you must provide a course completion for each course attended in order to receive credit for that course. Course completions must have the name of the course, number of hours, date, provider agency and provider number.

The EMS Update requirements are mandatory and they must be completed in the stated time frames or negative action will be taken against your MICN authorization.
