## **Requirements for a Lapsed EMT Certification**

**Mandatory Expanded Scope:** If you did not complete the training for the Administration of Naloxone, Epinephrine by auto-injector, and use of finger stick blood glucose testing by a glucometer, prior to your card expiring, you must submit proof of training in addition to the requirements listed below.

### **Lapse of less than 6 months:**

- ✓ 24 CE Hours or EMT 24 Hour Refresher Course
- ✓ Skills
- ✓ Valid CPR Card
- ✓ \$96 Recert Fee

### **Lapse of 6 months but less than 12 months:**

- ✓ 36 CE Hours
- ✓ Skills
- ✓ Valid CPR Card
- ✓ \$96 Recertification Fee

### **Lapse of 12 months or more:**

- ✓ 48 CE Hours
- ✓ Current National Registry
- ✓ Skills
- ✓ Valid CPR Card
- ✓ \$136 Certification Fee
- ✓ \*\*Live Scan May Be Required

**\*\*Contact VCEMS to check on the status of your Live scan. If you are reinstating an EMT certification that was obtained in another county, you are required to complete a Live Scan.**

**Fees are Subject to Change**
