Thereafter, all communication regarding the process will be sent only to hospitals that have indicated their interest.

The IRP shall be composed of individuals who work outside of the County of Ventura and have no affiliation or allegiance to any hospital within the County, and who are selected and approved by the Trauma Working Group.
 6. The proposal review process will be contracted to American College of Surgeons which will include a site visit for the purpose of confirming the

3. Reports of the IRP will be made available upon request.

2. A three-member appeal panel whose members have expertise in proposal reviews, and have no allegiance or affiliation with any hospital within the County or to any member of the IRP, and who are selected and approved by the Trauma Working Group, will review the appeal and make a decision. All decisions are final and cannot be appealed further.
